Neschen AG

### Preconditions:

All materials of this quality certificate are designed and manufactured under ISO 9001:2008 by Neschen AG in Germany. The products are tested for a 2 years application when applied in accordance with the technical bulletin. All tests conducted under controlled climatic conditions; 23/50-2, DIN 50014. Neschen AG provides its full support to the total replacement of the materials at no cost whenever a certain product failure occurs.

Complete details of the quality certificate are provided in the technical datasheets and instruction bulletins on the homepage: [www.neschen.com](http://www.neschen.com).
