This substrate has been evaluated under the standard comprehensive testing procedure, in conjunction
with HP Latex substrate certification criteria.

Please note: By certifying your product this means you support it's use on HP Latex equipment and its uses, and that you
will perform any due diligence necessary should complaints arise. Further, by receiving approval, you agree that if there
are any manufacturing or product changes that may impact substrate performance you will have the product re-tested/
re-certified, to eliminate the risk of issues in the field as a result.
